### F500 SP Series – Special Production HiFi Range

Preço IVA Incluído

Crafted in the UK, the F502SP (Special Production) builds on the sensational F502 while utilising the 200mm (8") IsoFlare™ driver and 200mm (8") bass/mid driver with FyneFlute surround derived from its F702 sibling. Further improving the standard F502's BassTrax porting system, the F502SP benefits from the full aluminium sandwich plinth and conical Tractrix profile bass diffuser developed for the premium F700 series. **7 Anos de Garantia.**
