PRIMARY E

PVP € 279

Preto: 9120082383301 / Branco: 9120082383349

Gira-discos "Plug & Play"

- Motorização por correia • Motor síncrono de baixa vibração • Braço em Alumínio leve de alta precisão • Célula Ortofon OM NN • Super fácil de ligar a qualquer sistema sem necessidade de ajuste do contrapeso e anti-skating • Ligação directa a um pré-amplificador phono ou amplificador com entrada phono dedicada • Cabo de interligação pré-montado • Tampa em acrílico • Dimensões 420 x 112 x 330mm (WxHxD) • Peso 4,0kg • Acabamento – PRETO ou BRANCO mate

VERTICAL Line

VTE-R

PVP € 449

Preto: 9120082383653 / Branco: 9120082383677

GIRA-DISCOS VERTICAL "Plug & Play"

- Disponível em Preto e Branco mate

VTE-R BT

PVP € 599

Preto: 9120071651879 / Branco: 9120065189951

GIRA-DISCOS VERTICAL "Plug & Play" com Emissor **Bluetooth** integrado

- Modulo Bluetooth aptX integrado para transmissão de audio de qualidade sem fios
- Pre-amplificador Phono integrado
- Disponível em Preto e Branco High Gloss

Both models: • Vertical standing or wall mount option included • Instant playback with super-easy setup • Record clamp for secure record fixing • Belt drive with silicone belt • Low vibration synchronous motor & DC power supply • 8,6" aluminium tonearm • **Ortofon OM 5e** cartridge, pre-mounted • Special mechanism for perfect tracking in vertical position • Pre-mounted gold-plated RCA interconnect cable

- Dimensões: 430x310x130mm (WxHxD) • Peso: 2,8kg

E1 Line

NOVO

E1

PVP € 319

Preto: 9120122291801 / Branco: 9120122291825 / Walnut: 9120122291818

O E1 é um gira-discos fácil de usar que se destaca em qualquer ambiente graças ao seu visual marcante e excelente som. Com três opções de acabamento e três versões, é um modelo de entrada ideal para reprodução de vinil que combina consigo, independentemente do seu equipamento de áudio.

- Tampa em acrílico protetora contra poeiras
- Base em madeira maquinada com precisão e de alta qualidade
- O gerador AC integrado cria uma fonte de alimentação limpa para o motor
- Prato principal em polímero ABS anti-ressonante
- Braço de 8,6" afinado e calibrado em fábrica.

E1 PHONO

PVP € 339

Preto: 9120122291863 / Branco: 9120122291887 / Walnut: 9120122291870

Gira Discos E1 com Andar PHONO integrado

- Selecção saída Phono ou saída de linha pré-amplificada

E1 BT

PVP € 429

Preto: 9120122291832 / Branco: 9120122291856 / Walnut: 9120122291849

Gira Discos E1 com Emissor BT e Andar PHONO

- Emissor BT 5.0 para interligação sem fios com colunas BT, auscultadores e amplificadores.
- Selecção saída Phono ou saída de linha pré-amplificada

T1 - PVP € 369

Preto: 9120082389525 / Branco: 9120097820020 / Wanut: 9120097820013

New Generation Audiophile Entry Level Turntable

- Transmissão por correia
- Sub-prato com design anti-ressonâncias
- Prato de vidro fosco com 8mm, ressonância zero
- Chassis alta densidade maquinado com precisão CNC sem espaços ociosos e plástico
- Célula Ortofon OM 5E moving magnet
- Braço em alumínio leve com 8,6" extremamente preciso
- Rolamento do braço sem vibrações
- Braço em peça única com concha integrada
- Cabo Phono incluído, desenhado pela Pro-Ject, super blindado, semi-simétrico, reduzida capacitância
- Pés absorventes de vibrações
- Tampa em acrílico elegante e com dobradiças ajustáveis
- Disponível com acabamento Preto Piano, Branco Acetinado e Madeira - Walnut
- Fabricado na Europa

T1 Phono SB - PVP € 449

T2 SUPER PHONO - PVP € 650

HG Preto: / Branco Acetinado: / Wanut:

Novo - Pré-amplificador comutável de elevada qualidade de dupla- etapa passiva MM igual ao utilizado no modelo T2W

T2 W – Gira-Discos WiFi

T2 W - PVP € 999

Preto Piano: 9120129860710 / Branco Acetinado: 91201298661045

Wanut: 9120129861052

NOVO

O **T2 W** é o primeiro gira-discos de **streaming Wi-Fi da Pro-Ject** - ganhou o prémio EISA de "Melhor Sistema de Vinil 2023-2024". O primeiro deste tipo a funcionar abertamente em diferentes plataformas de tecnologia de streaming. O **T2 W** torna a reprodução de vinil de alta qualidade acessível a um novo público, ao mesmo tempo que permanece fiel ao que um gira-discos Pro-Ject representa.

O **T2 W** possui um pré-amplificador phono MM passivo dividido em estágio duplo de alta qualidade – esta é a primeira vez que um gira-discos Pro-Ject usa um pré-amplificador phono integrado deste nível. A Pro-Ject considerou esta actualização como uma necessidade para maximizar o desempenho do Wi-Fi. A Pro-Ject queria um palco phono verdadeiramente impressionante que combinasse e desse ao **T2 W** longevidade e desempenho de áudio incomparáveis. O **T2 W** é fornecido com uma célula **Sumiko RAINIER MM** de alto valor (MSRP 175€).

O **T2 W** também vem com selecção eletrónica de velocidade entre 33 e 45rpm. O resultado é um sistema de acionamento estável e de baixo ruído ideal para gira-discos.

O braço do **T2 W** foi aumentado para 9" de comprimento efetivo. O braço rígido de peça única em alumínio também apresenta novos rolamentos de baixo atrito atualizados para acomodar o comprimento e diâmetro aumentados para precisão absoluta no uso. Além da aparência limpa e elegante, o cabeçote integrado também não causará vibrações adicionais. O **T2 W** também vem com um novo mecanismo anti-skating ajustável baseado em mola que otimiza o desempenho e extrai o máximo potencial da célula.

JUKE BOX E1

JUKE BOX E1

AUTOMAT A1 & A2

NOVO

AUTOMAT A1 - PVP € 399

EAN: 9120122291672

- O **A1** é o primeiro modelo da nova série AUTOMAT de gira-discos automáticos da Pro-Ject.
- Os sistemas automáticos funcionam apenas para os controlos essenciais do braço (início e final de leitura) e são colocados fora de acção logo quando o disco está a ser lido.

- O braço de 8,3" é de alumínio ultraleve com uma concha em fibra de carbono reforçada que aloja uma cabeça Ortofon OM10.

- A tracção é por correia, a partir de um motor de corrente contínua que disponibiliza duas velocidades, 33 e 45 rpm, controladas electronicamente.

- O prato é de alumínio amortecido através de um anel interior, sendo torneado manualmente. E vem equipado de origem com uma cobertura acrílica que evita a entrada de poeiras.

- O A1 inclui um amplificador de phono integrado, o que facilita a sua ligação num sistema de áudio, até porque o gira-discos vem pré-ajustado de fábrica.

NOVO

AUTOMAT A2 - PVP € 1.199

EAN: 9120129861069

- O **A2** é a evolução do gira-discos automático totalmente mecânico A1.
- A novidade na automação do A2 consiste na possibilidade de seleccionar a posição de descida para discos Single 7" ou 12" LP's em registos de 45rpm.
- Permite ainda velocidades de 78rpm para reprodução de discos Shellac de colecções antigas.

THE CLASSIC EVO

2M Silver - PVP €1.699

Eucalypto: 9120122294864 / Walnut: 9120122294888

Classic look combined with modern technology

- Belt drive with electronic speed control
- 33/45 rpm with manual speed change
- Low vibration synchronous motor & DC power supply
- Height adjustable decoupling feet
- Precision balanced TPE*- damped aluminium-platter/felt mat
- Metal/MDF sandwich chassis floating on TPE* suspension
- 9" carbon/aluminium tonearm with MM & MC capability
- Japanese ball bearing (base of tonearm)
- Integrated central vertical cable outlet for unhindered arm movement
- Ultra low friction Zircon pin-point cardan bearings (top & side)
- Azimuth and VTA fully adjustable
- TPE damped counterweight
- Acrylic lid included
- Ortofon 2M Silver cartridge pre-installed
- Classic wooden chassis in 2 satin finishes – **Walnut and Eucalyptus**
- Dimensions 460 x 131 x 351mm (WxHxD) • Weight 10,2kg

RPM 1 Carbon

2M Red - PVP € 545

HG Black: 9120050435285 / HG White: 9120050435407

Turntable with 8.6" S-shaped Carbon tonearm

- Belt drive turntable with quiet running synchronous motor • **DC driven precision AC motor control**
- Isolated motor platform, decoupled from the plinth • 2-step pulley • Eliminates vibration transmission • Resonance-optimised platter made of medium density fibre • Inverted, chrome-plated stainless-steel axle • Polished metal ball in sintered bronze bearing housing • **Central mass point optimises resonance behaviour** • Interchangeable connecting cables • Gold plated phono sockets and earth screw • Colour options: **Glossy Black** and White • Dimensions 380 x 110 x 350mm (WHD) • Weight 3,8kg

RPM 3 Carbon

2M Silver - PVP € 990

HG Black: 9120050435322 / HG White: 9120050439351

Turntable with 10" S-shaped Carbon tonearm

- Belt drive turntable with quiet running synchronous motor • **DC driven precision AC motor control** • Isolated motor platform, decoupled from the plinth • 2-step pulley • Eliminates vibration transmission • Resonance-optimised platter made of medium density fibre with vinyl layer • **Inverted, chrome-plated stainless-steel axle** • Polished metal ball in sintered bronze bearing housing • **Central mass point optimises resonance behaviour** • Interchangeable connecting cables • Gold plated phono sockets and earth screw • Colour options: **Glossy Black** and White • Dimensions 447 x 118 x 373mm (WHD) • Weight 5,5kg

RPM 5 Carbon

2M Bronze – PVP € 1.990

HG Black: 9120050435346 / HG White: 9120050435445

Turntable with 9" EVO Carbon tonearm

- Belt drive turntable with quiet running synchronous motor • **DC driven precision AC motor control with electronic 33/45 speed switch** • Isolated motor platform, stands separated from the plinth • Eliminates vibration transmission • **28mm acrylic platter** • **Inverted, chrome-plated stainless-steel axle carrying a ceramic ball on which the ceramic bearing plate runs** • 32mm plinth thickness with carbon layer on top • Central mass point optimises resonance behaviour • Interchangeable connecting cables • Gold plated phono sockets and earth screw • Colour options: **Glossy Black** and white.

RPM 9 Carbon

Quintet Bronze - PVP € 3.990

EAN: 9120065187322

Turntable with 9" EVO Carbon tonearm

- Belt drive • **DC driven precision AC motor control with electronic 33/45 speed switch** • Isolated motor platform, stands separated from the plinth • **Mass loaded magnetic floating subchassis** • Inverted ceramic ball bearing • Heavy weight record puck • Inverted, chrome-plated stainless-steel axle • Polished metal ball in sintered bronze bearing housing • **7,2kg acoustically inert aluminium platter** • Extremely low level of natural resonance • Central metal block optimises centre of gravity and damps main bearing • Interchangeable connecting cables • Gold plated phono sockets and earth screw • Gold plated 5pin to RCA cable included (XLR version as an option) • Dimensions 440 x 180 x 325mm (WHD) • Weight 16,7kg

RPM 10 Carbon

n/c - PVP € 4.990

EAN: 9120050435315

High-End Turntable with 10" EVO Carbon tonearm with Ground It Carbon base

- **Extra-heavy chassis with carbon layer** • Belt drive • **Separate metal housing for motor with built-in DC driven precision AC motor control** • **Electronic 33/45 speed switch** • 3 individually height-adjustable magnetic field feet • Spirit level supplied • Extra-heavy chassis and granulate filled plinth guarantee constant damping • **Extra heavy aluminium platter** • Brass record puck • Inverted bearing with stainless-steel axle carrying a ceramic ball on which the ceramic bearing plate runs • Central metal block optimises centre of gravity and damps main bearing • Delivered with heavy turntable platform Ground It Carbon • Gold plated 5pin to RCA cable included (XLR version as an option)

X1 B – “O verdadeiro gira-discos Balanceado”

Pick It Pro Balanced - PVP € 1.090

HG Black: 9120097820068 / HG White: 9120097820075 / Walnut: 9120097820082

- 8,6” carbono/alu sandwich tonearm with best internal damping and TPE damped counterweight
- Resonance free 1,5kg heavy acryl plater
- **Pick It Pro Balanced** cartridge newly developed - **True Balanced MM Cartridge** for highly dynamic and full sound
- Luxury 8 layers of painting and hand-polished finish – HG Black or White or real-wood satin-waxed veneer - Walnut

X2 B - “O verdadeiro gira-discos Balanceado”

Quintet Red - PVP € 1.690

Piano Black / White - Acetinado Black / Walnut

- Luxury turntable
- Built-in electronic speed control for 33/45 rpm speed change - also supports 78 RPM playback
- Specially isolated, electronically regulated precision drive motor with sub-platter system
- Stainless steel platter-bearing with soft bronze bushing and teflon mirrors for minimal vibration
- 9” one-piece tonearm tube made from rigid carbon fibre and aluminium. Tonearm supports azimuth and VTA adjustment, for advanced users
- TPE damped counterweight reduces arm-cartridge resonances by 50%
- Heavy (2kg), resonance-free acrylic platter
- Heavy (50mm thick), CNC machined MDF chassis with premium finish
- Piano (Gloss) Black, Satin Black and White finish have luxury 8-layer paint and hand-polished finish
- Walnut finish features real wood, satin-waxed veneer
- Supplied with specially designed Connect-IT E phono RCA cables
- Height-adjustable aluminium, vibration absorbing feet

SIGNATURE 9 - 9" precision single-pivot tonearm

SIGNATURE 10 - 10" precision single-pivot tonearm

SIGNATURE 12 - 12" precision single-pivot tonearm

- Single pivot design with minimized bearing friction • Non magnetic low resonance construction
- Fits low to high cartridge mass, including 32gr. SPU • High rigidity aluminium headshell (12gr) with built-in fingerlift included, allows 1/2 inch cartridge mount • High conductivity OFC headshell cables included • Azimuth adjustment with screw on side • Built-in 5-pin DIN connector (tonearm cable not included) • High gloss finish • Measure it, Alignment + Mounting distance tools included • Delivered in exclusive wooden jewel box

Mount It

PVP € 15

EAN: 9120082385954

- Anti-magnetic precision screws • Stable installment of a cartridge • Made of stainless steel • Perfectly stable mounting of a cartridge • Three different screws sizes and Allen key

Pick It 25A

PVP € 100

- **Moving Magnet** principle • Coil windings made from pure silver to achieve higher quality and more dynamic playback compared with conventional MM cartridges • Suitable for low to medium tonearm masses • 1/2 inch mounting standard • High trackability • Pick it 25A should be connected to phono MM inputs • Stylus can be exchanged

Pick It S2 MM

PVP € 120

- **Moving Magnet** principle • Split pole pins enables frequency responses that compares very well to MC cartridges • Suitable for low to medium tonearm masses • 1/2 inch mounting standard • High trackability • Pick it S2 MM should be connected to phono MM inputs • Stylus may be exchanged

Pick It 2M Silver

PVP € 190

- **Moving Magnet** principle • Coil windings made from pure silver to achieve higher quality and more dynamic playback compared with conventional MM cartridges • Suitable for low to medium tonearm masses • 1/2 inch mounting standard • High trackability • 2M Silver should be connected to phono MM inputs • Stylus may be exchanged

Pick It PRO Balanced

Novo
PVP € 249

- **True Balanced compatible MM cartridge** • Moving Magnet • Alta definição • Muito detalhada com distorção reduzida • Output voltage 4mV • Agulha Elíptica • Tracking force: 1,8-2,2g (mN) • Load Resistance recomendada: 47kOhm • Load Capacitância recomendada: 150-300pF • Peso da célula: 7,2g

Pick It DS2 MC

Promoção
PVP € 390

- **Moving Coil** principle • Simple and fast mounting • High fidelity • Exceptionally lively • Very detailed with low distortion • Needs MC-compatible phono input Robust polyamid-body • Resonance free thanks to laser-sintering-process • Rigid mounting plate out of metal • Threaded holes for simple mouting without nuts • Optimum contact to headshell thanks to three-point pad

Pick It S2 C - Black Edition

PVP € 130

- **Concorde Style Moving Magnet cartridge** • Simple and fast setup • **High output voltage** ideal for medium weight tonearms (15-20g) • Very dynamic • Suiteable for MM phono stages • Needle can be exchanged if needed • Robust Polycarbonate body

Cabos Phono

CONNECT IT E – Phono E RCA

Audiophile Phono Cable – 1,23m

RCA > RCA - PVP € 45

Phono Cable RCA > RCA ideal for turntable connection
 High 1.23m quality stereo NF cable
 High purity oxygen-free copper (HP-OFC)
 2 individually shielded conductors per channel
 Semi balanced geometry
 Low capacitance
 Low distortion level, neutral sound
 Earth wire with spade connectors

PHONO – Elemental Line

PHONO BOX E

PVP € 79

Preto: 9120050436350 / Branco: 9120065181993

MM Phono preamplifier

- Amplification and RIAA equalization for MM cartridges
- Optimal channel separation through dual-mono circuitry
- Special low-noise ICs used
- Gold plated RCA connection sockets
- Outboard power supply included
- Small size allows installation close to record player
- Stylish & robust synthetic casing
- Colour Black
- Dimensions: 120x32x100 (115)mm WxHxD (D with sockets)
- Weight: 250g

PHONO BOX E BT5

PVP € 159

Preto: 9120097829306

Pré-Amplificador Phono MM com **Emissor Bluetooth BT5 aptX HD** para Emissão Sem Fios da saída phono ou da entrada de linha.

PERMITE QUE O SEU GIRA-DISCOS TRANSMITA MUSICA SEM FIOS

NOVO

- 2 Entradas – 1x Phono e 1 Linha
- Células MM • Equalização RIAA precisa
- Utilização e Saída em simultâneo via RCA analógico e Bluetooth
- Blindagem em metal interna

RECORD BOX E

PVP € 99

Preto: 9120050435117

MM Phono preamplifier with A/D converter and USB output

- Optimal channel separation through dual-mono circuitry
- Special low-noise ICs used
- Gold plated RCA connection sockets
- Outboard power supply included
- Digitalisation of analogue signals for recording direct to disk via USB with suitable recording programs
- Automatic recognition, without additional driver, by standard PC
- Runs on Windows® and Mac OS® operating systems
- Small size allows installation close to record player
- Stylish & robust synthetic casing
- Colour **Black**
- Dimensions: 120x32x100 (115)mm WxHxD (D with sockets)
- Weight: 250g

OPTICAL BOX E PHONO

PVP € 139

Preto: 9120071657673

MM Phono preamplifier with A/D converter and Line in/out

- Especialmente para uso com dispositivos sem entrada analógica, tais como receptores de cinema doméstico, barras de som, etc.
- Analogue RCA and digital optic output work simultaneously
- Works as input extender (2>1) or output splitter (1>2)
- 2 Inputs: 1 Phono and 1 Line In
- Suitable for MM cartridges
- Precise RIAA equalization
- Low noise circuitry

PHONO – Classic Line

PHONO BOX

PVP € 119

Preto: 9120035827210 / Prateado: 9120035827227

MM/MC Phono preamp with line output

- Preamplifier for MM or MC with switch on rear panel
- Best buy classic
- „Green“ DC power supply (< 1 watt standby power)
- Precise RIAA equalization
- Low noise ICs
- Output stage with ultra-low impedance
- Gold-plated RCA sockets
- Small size for installation near record player
- Colour options: Silver or Black
- Dimensions: 103x36x103 (109)mm WxHxD (D with sockets)

Dual Mono Balanced Tube Phono-Preamplifier

- Balanced XLR in/outputs • More precise cartridge loading options • Precise RIAA equalisation • Ultra low noise circuitry • MM & MC capable • Balanced & single ended in & outputs • Dual mono design • Superior low noise / low distortion • Subsonic filter • Aluminium casing protects against interferences.

PHONO – RS2 Line

PHONO BOX RS2

PVP € 1.595

Preto: 9120097825339 / Prateado: 9120097825353

High End Phono Preamplifier

- Fully balanced, fully discrete phono preamp of the highest class • MM & MC capable • Fully balanced, true dual mono design • Fully discrete hardware design - NO Op-amps! • Fully passive RIAA & DECCA equalisation • Balanced XLR & unbalanced RCA In & Outputs • Unique continuously variable input impedance loading and channel balance control to match every cartridge to 100% (adjustment even while playing) • Superior low noise / low distortion • Metal casing protects against vibration and interference • Available in silver or black

POWER BOX RS2 PHONO (115/230V)

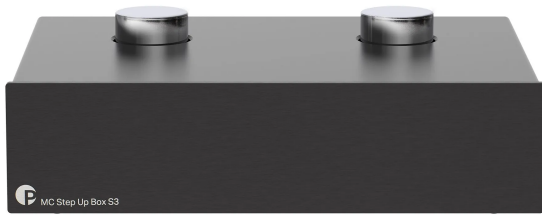

PVP € 899

Preto: 9120097827968 / Prateado: 9120097827975

Purest & cleanest power for Phono Box RS/RS2

- Fully isolates Phono Box RS/RS2 from mains interference and noise while playback
- Advanced Lithium Polymer battery (one for each channel)
- Playback time approximately 4 hours / Charging time approximately 4 hours
- Optimised battery life due to intelligent micro-processor controlled charging electronics • Status indicator LEDs on front
- Available in silver or black

STEP UP Transformers

MC Step Up Box S3

PVP € 449

Preto: 9120129860383 / Prateado: 9120129860390

Transformador MC Step Up Audiófilo

- Sound upgrade for your MC cartridge
- Fully passive signal path without power supply
- Superior sound quality
- 1:16 transformer ratio
- Transformer with mu metal shielding
- Input impedance matching 10 or 100 Ohms
- Dual mono design principle
- Highest channel separation
- Gold plated RCA terminals
- Solid aluminium casing protects against interference

MC Step Up Box DS3

PVP € 899

Preto: 9120129860406 / Prateado: 9120129860413

Transformador MC Step Up Premium

- Lundahl LL1678 high quality audio transformer
- Balanced in- and outputs
- Fully passive signal path without power supply
- Selectable transformer ratio 24 / 30dB
- Superior sound quality
- Transformer with metal shielding
- Dual mono design principle
- Low noise
- Highest channel separation
- Gold plated RCA terminals
- Solid aluminium casing protects against interference

POWER BOX S3 PHONO

PVP € 179

Preto: 9120122292709 / Prateado: 9120122292747

Power Box S3 Phono é um filtro de alimentação muito eficiente e flexível para gira-discos e pré-amplificadores phono. As duas saídas foram projetadas especificamente para alimentar gira-discos Pro-Ject e pré-amplificadores phono.

ACCU Box S2

PVP € 269

Preto: / Prateado:

High End Battery Power Supply

Accu Box S2 é uma fonte de alimentação com baterias limpa e tem uma sinergia incrível com todas as Phono Boxes. Usar o Accu Box S2 em qualquer um dos modelos recomendados resulta num som mais homogêneo e espaçoso, com melhor separação e imagem. O som parecerá mais limpo no geral.

O Accu Box S2 utiliza cinco células ou baterias Li-Pol recarregáveis com capacidade de 2,6Ah. Para proteção das baterias, o Accu Box S2 vem com proteções contra sobrecarga, descarga excessiva e sobrecorrente, para garantir a sua máxima vida útil. Além disso, o Accu Box S2 também oferece uma saída USB A de 5V, para outros equipamentos, como DACs.

ACCU Box S2 USB

PVP € 195

Prateado: 9120082382304

High End Power Supply for 5V USB driven products

Accu Box S2 USB é uma fonte de alimentação com baterias de íões de lítio que fornece energia a qualquer equipamento com alimentação de 5V. A capacidade de 2600 mAh proporcionará muitas horas de prazer auditivo. Os LEDs no painel frontal indicam quando a unidade precisa ser ligada à fonte de alimentação e se está alimentando uma unidade separada.

Indicada para: BT Box S2, Pre Box S2 Digital, Pre Box S2 Analógica, DAC Box S2, Head Box S2 Digital, Head Box S2.

Power Box DS3 Sources (115/230V)

PVP € 699

Preto: 9120122295595 / Prateado: 9120122295601

Universal Linear Power Supply

Com o objetivo de oferecer a possibilidade de melhorar a qualidade do som, a Pro-Ject projectou a fonte de alimentação linear Power Box DS3 Sources. Assim, melhora significativamente a qualidade do som de até 5 componentes do Box Design, como streamers, CD players, pré-amplificadores e também oferece a possibilidade de alimentar um gira-discos alimentado por DC.

Fornecida com os cabos de alimentação:

2 x 9V (1.3mm connector)

3 x 18V (2.5mm connector)

1 x 15V (2.1mm connector) – para gira-discos Pro-Ject com alimentação DC.

POWER BOX RS UNI 1 WAY TT (115/230V)

PVP € 659

Preto: / Prateado:

Fonte de Alimentação Linear Iniversal para gira -discos de 15V DC.

A Power Box RS Uni TT de 1 via (115/230V) melhora significativamente a qualidade do som do seu gira-discos e foi desenvolvido especialmente para gira-discos com prato pesado.

A Pro-Ject recomenda usá-la com os modelos RPM 9 e 10, Signature 10 e 12 e Xtension 9, 10 e 12.

A Power Box RS Uni TT de 1 via (115/230V) também é compatível com todos os outros gira-discos Pro-Ject com alimentação de 15V DC.

NOTA: Não use a Power Box RS Uni TT unidirecional com Phono Box RS.

HIGH POWER IT

PVP € 30

A High Power é uma fonte de alimentação de três pinos com ligação de terra para gira-discos Pro-Ject evitando assim problemas de “hum” (zumbido) relacionados com falta de terra, especialmente ocorrendo com amplificadores com “floating mass”, que não possuem ligação de terra real.

A High Power It fornece corrente mais limpa e mais potência para todos os gira-discos Pro-Ject de 15V DC.

NOVO - VINYL DSP Processador

NOVO

VINYL NRS Box S3

PVP € 329

Novo - De-Crackling function to reduce clicks

Novo - noise reduction for vinyl records

Novo - reduces noise of the turntable drive

Processing based on DSP with 24 bits

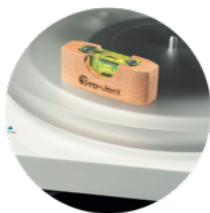

96 kHz sampling rate for precise processing

Galvanic pure bypass if switched OFF

Ideal transfer characteristics and linearity

De-Crackling with adjustable sensitivity

Line-level operation

LEVEL IT

PVP € 18

Spirit level for optimum positioning of a turntable

- Making sure your turntable is level because this is critical for set-up and playback

STROBE IT

PVP € 30

Control of turntable speed

- Speed control for 33/45/78 rpm • 50/60 Hz • Cartridge alignment scheme included

MEASURE IT E

PVP € 30

Electronic stylus balance

- 4 digit LCD display with backlight • 4 weighing modes • Wide capacity 0 - 5g
- Calibration weight • Precision data readouts with low variance • Auto calibration function • Auto power off after 30 seconds • Low power consumption • Button cell batteries included

MEASURE IT S2

PVP € 60

Electronic Stylus Balance

- 4 digit LCD-Display with backlight • Capacity 0 – 5g • Variance $\pm 0,001g$
- Auto calibration function • Auto off after 120 seconds
- Replacement batteries supplied

NOVO

LUBE IT

PVP € 24

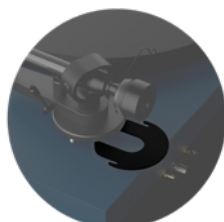

High-tech lubricant for constant velocity spindle oil • 5ml

GREASE IT

PVP € 18

To be used with **inverted bearings**. Pre-filled syringe for easy handling. Indicado para series RPM, Xtension, Signature

VTA IT

PVP € 20

1,5mm Tonearm Spacer – Adjust the vertical tracking angle setting. Compatível com Debut I-III, Debut Carbon, Debut Carbon EVO e Essential I-III (apenas configuração standard)

Acessórios – Sound Tuning

ACRYL IT

PVP € 130

Prato em acrílico para gira-discos Debut, Debut Carbon e Xpression

- Substitui o prato metálico • Material inerte evita ressonâncias • Ideal para ser utilizado com Clamp it
- Ajuste Audiofilo do Som • Upgrade visual

ACRYL IT E

PVP € 95

Prato em acrílico para gira-discos ELEMENTAL, PRIMARY e ESSENTIAL

FELT-MAT 300MM

PVP € 15

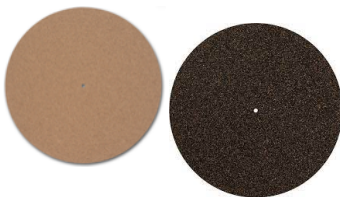

Felt-Mat de 300mm em filtro preto

CORK IT – *Fabricado em Portugal*

PVP € 25

Sound tuning with turntable mats

- Alternative platter mats with special sound characteristics • Substitutes felt mats • Damping of resonances from metal turntable platters • Less noise • Avoids static load • Suitable for all turntables
- Perfect combined with Clamp it

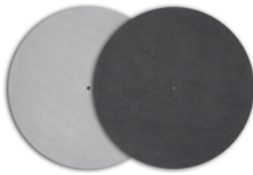

Cork&Rubber 1mm

PVP € 50

Cork&Rubber 3mm

PVP € 65

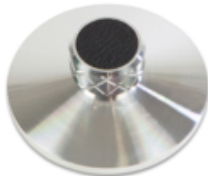

LEATHER IT

PVP € 50

Sound tuning with turntable mats

- Alternative platter mats with special sound characteristics • Substitutes felt mats • Damping of resonances from metal turntable platters • Less noise • Avoids static load • Suitable for all turntables
- Perfect combined with Clamp it

CLAMP IT

PVP € 100

Record clamp

- Sound improvement for all turntables • Reduces unwanted resonances while playback • Fast and easy mounting • Fine-adjustment of tightening force • Full metal accessory with leather coating • Diamond cut finish

RECORD PUCK E

Weight record clamp

- Record clamp for fixing of record on the turntable, 190g. Disponível em Preto e Prateado.

NOVO

PVP € 30

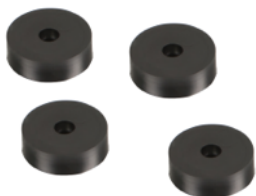

RECORD PUCK

PVP € 130

Heavy weight record clamp

- Record clamp for fixing of record on the turntable

DAMP IT

4 pcs - PVP € 25

Highend damping feet

- Special absorber feet made from hightech TPE material • Prevent transmission of unwanted mechanical vibration • Especially for CD and other disc players, tube amplifiers, speakers and turntables • Single or set of 4

ABSORB IT

4 pcs PVP € 150

Highend damping feet

- Special absorber feet made from hightech synthetic material enclosed by metal ring • Prevent transmission of unwanted mechanical vibration • Especially designed for CD players and turntables

Symbol photo, Ground it E comes without turntable and Cover

GROUND IT E

PVP € 160

Equipment base

- Conical feet (zinc) screwed through small damping ring onto thread PIN which is pressed in the MDF • Height adjustable • The thickness is the same like Debut turntable • Feet with small rubber smacer to have some damping • **GROUND IT E suits Elemental line, Essential line, Debut line, 1Xpression line and RPM 1 and 3 Carbon** • **COVER IT E** and **COVER IT RPM 1/3 CARBON** also fit on **GROUND IT E** • High-gloss piano lacquer finish • Matches finish of Pro-Ject Audio Systems turntables
- Dimension: 480 x 28 x 390mm incl. spikes

GROUND IT - Equipment bases

GROUND IT DELUXE 1 PVP € 450 GROUND IT CARBON PVP € 1.300

GROUND IT DELUXE 2 PVP € 395

GROUND IT DELUXE 3 PVP € 795

- Resonance free placement for turntables & Hifi • Heavy weight base filled with granular damping • 2 models with adjustable spikes (3 or 4 may be fitted) • 1 model with height adjustable magnetic feet
- Dark grey piano lacquer finish • Matches charcoal finish of Pro-Ject turntables
- Ground it deluxe 1: 500 x 65 (45)x 400mm incl spikes (without spikes) Weight: 11,6 kg
- Ground it deluxe 2: 435 x 65 (45)x 340mm incl. spikes (without spikes) Weight: 8,5 kg
- Ground it deluxe 3: 500 x 65 (45) x 400mm incl. feet (without feet) Weight: 13,5 kg
- Ground it CARBON: 500 x 70 x 400mm incl. feet Weight: 14,5 kg

WALLMOUNT IT 1

PVP € 220

Wall mount equipment rack

- Welded steel frame construction, matt black finish • Veneered wooden board, black finish • Four height-adjustable spikes to level the board • Surface area (W x D): 460 x 355mm • Overall dimensions (W x H x D): 460 x 90 x 415mm

WALLMOUNT IT 2

PVP € 250

Wall mount equipment rack

- Welded steel frame construction, matt black finish • Veneered wooden board, black finish • Four height-adjustable spikes to level the board • Surface area (W x D): 460 x 355mm • Overall dimensions (W x H x D): 460 x 260 x 455mm

WALLMOUNT IT 3

PVP € 380

Wall mount equipment rack

- Screwed steel construction, matt black finish • Lacquered MDF board, matt black • Three height-adjustable spikes to level the board • Surface area (W x D): 520 x 450mm • Overall dimensions (W x H x D): 635 x 290 x 455mm

WALLMOUNT IT 5

PVP € 330

Wall mount equipment rack

- Resonance-free wall mount for turntables & Hifi • Playback of records free from any influence by impact noise and vibrating floors • WMI wall mounts use rigid steel frame construction • Height-adjustable spikes to level the board • Maximum load of 30kg • Can also be mounted on thin or american type plywood walls (Firmness depends on wall and mounting accessories), because massloaded internal damping absorbs resonances • Wood finish: **Black** or **Walnut** • Surface area (W x D): 460 x 400mm • Overall dimensions (W x H x D): 460 x 60 x 425mm

Acessórios – Sound Tuning

Aluminium Sub Platter

PVP € 150

DEBUT / X1 / X2 / Classic Evo - Aluminium Sub Platter

- Precision machined out of aluminium to the lowest tolerances
- Adds more mass and further damps unwanted resonances
- Increases speed accuracy and short term speed stability (Wow & Flutter)
- Weight: 700g
- The old platter has to be returned to the dealer on upgrade.

ADAPT IT

PVP € 15

Single puck

Precision machined single record puck

Fits all brands and types of turntables and places your 7" vinyls exactly centrally on the turntable. Adapt it is made from non-magnetic metal, that makes it look first-class. The Adapt It is unbreakable.

Q UP

PVP € 60

Automatic tonearm lifter for manual turntables

- Lifts tonearm, when it moves to the end of a record
- Extends stylus life
- Suits nearly all tonearms and manual turntables
- Includes three stackable platforms for turntables with thick platters
- Adjustable trigger sensitivity
- No AC or battery power needed
- Easy to mount, no additional tools necessary.

PLAY & DISPLAY

(1pc.) PVP € 50

12" Vinyl display frame

- Stylish hifi accessory for vinyl lovers
- First ever vinyl display frame that can have its contents changed without being removed from the wall
- Any space can be personalized in seconds
- British Design Classic
- Internationally patented
- Beautifully packaged for instant gifting
- Renewed enjoyment to record collections.
